

WEEK 1

5000 STEPS A DAY = 1 TREE PLANTED

We've partnered with @treekly_org to help inspire a daily walking habit of 5,000 steps per day. To get us started, we've already funded **[number]** trees!

How to get started and join the **[name]** group:

Download the FREE Treekly app

Create an account and select your preferred steps counter

Select the 'Together' tab to access the **[name]** group

Click the 'plus' icon in the top right of the screen followed by 'Join a group'

Enter code: **[code]**

The reward? We'll plant a tree for each day you hit your target during **[month]**

Together, turning footsteps into forests

WEEK 2

In just 1 week our @treekly_org Community Group has so far walked **[number]** steps, planting **[number]** trees!

WEEK 3

In our third week of turning our footsteps into forests, our community has planted an incredible **[number]** trees

Together with their tree planting partner, @treekly_org employ local communities to plant their trees

Most deforestation is directly linked to extreme poverty, so by providing stable, fair-wage employment, they're helping lift communities out of poverty

Our trees have provided **[number]** workdays to local people

WEEK 4

Our community has been busy turning their Footsteps into Forests with @treekly_org for the last 30 days

We're delighted to announce that together we have walked over **[number]** steps, planting **[number]** trees!

These trees will provide **[number]** workdays to local people living in poverty and capture **[number]** kg of CO2 between now and 2030!

That's the equivalent of driving **[number]** miles, or proving **[number]** homes with a year's worth of energy!

What an incredible achievement! Well done to everyone who took part!
