

How to get involved

7th area of focus:
Supporting the Environment

Turning footsteps
into forests

"Our aim for 2022 is to plant 5 million trees. This fits perfectly with our new area of focus on the environment"

- David Ellis, Chairman of the Executive for GB&I

To help Rotary achieve maximum engagement from their members, Treekly have agreed to provide the following:

- 1) One mangrove tree to each person who joins their club's team in the League.
 - planted in Madagascar
- 2) Three options for members to get involved:
 - plant 1 tree a week (free)
 - plant 1 tree a day
 - purchase an Annual Tree Pack
- 3) "Club Voucher Pack"
 - 1500 Trees (First 25 members to participate, receive '60 Trees' voucher)
